

Islamic School of Irving Summer Homework Students Entering into Kindergarten

AsSalamualaikum Wa Ramathu lillahi Wa Barakathahu Dearest ISI Families,

As research as shown over and over again summer learning is the key to ensuring student learners are well prepared and successful during their academic year.

JazakAllah Khair for taking the time to assist your child with the expected Summer Learning. It may be summer, but practicing essential skills will help ensure your child has a successful year in Kindergarten. This success will help lay the groundwork to build your child's foundation as they embark upon their journey through elementary school. You will find on this page the summer learning break down and the expectations that ISI has for your Kinder child as they come into school.

Please print or save the following pages to refer to as often as you need to.

Please help your child read and recognize the words from the Dolch and Fry's Sight Word List. (Links provided below.) Additionally, visit the library often and read award-winning books. Here are some good websites where you can find which books to read.

Please view the following clip for background on the Lexile scale:

[Lexile Framework Short Clip](#)

Your child's individual Lexile Range can be found on the MAP progress report in the reading section. Visit Lexile.com to enter this range and find a variety of books that are just right for your child!

Summer Learning Work Break Down:

- Print from the Dolch and Fry sight words list and work on reading and recognizing them. Check them off as your child masters a word.
- Visit the library often and read from the books found on the above list or from an entirely different list. The possibilities are endless.
- Visit museums, state parks, and have lots and lots of conversations describing what is seen and learned about.
- 15 minutes/week of IXL for returning students
- Project Due first week of school: Let your child pick from one of the many books that you have read to your child or they have just loved to read over and over. Turn the story from that book into an art project. It can be a painting on a canvas or a diorama or something entirely different as long as it incorporates art and one of the books.
