2019-2020 School Supplies List

Note: Requested supplies are needed to start the school year. However consumable supplies may need to be replenished periodically throughout the year. Individual teachers may also request additional supplies. No pictures on folders, binders, spirals or composition.

PRE-K-3

There is no supply list for our class, we have it displayed in our classroom.

We charge \$85 per student for our class to buy our own supplies as needed. We save so much room and sometimes we need more of one item than we get. It is more convenient for our dear parents :)
