

8/5/19

AsSalamualaikum,

As I strive to bring improvement to what Islamic School of Irving offers its students I know the only way to do that is to first and foremost listen to each of my stakeholders. You spoke and it was heard! With my phenomenal team of teachers and educators, we are bringing so much to the table for our students during this next academic school year. An introduction to Career Pathways with endorsement potential, Bilingual Education, Athletics, Electives such as Technology and Art classes, Gender Separate classrooms, differentiated classrooms with learner centered education and classes focused on social-emotional intelligence and character education are all just a few of the ways this year will be different from what ISI has done in the previous years. It all begins with students filling out the below class choice inventory sheet for their grade level. Please print and fill out the following form. High school students should bring it in when they register for classes. 6th-8th graders should turn it into the front office anytime next week. They will get it to the appropriate administrators at that point. Please be sure to make a copy of it for your records as well. Additionally, please call or stop by the registrar's office to ensure your records are up to date and all required forms such as immunization records are submitted. Students may not be scheduled for classes if the office is missing crucial documents.

Jazak'Allah Khairun,

**11th-12th Graders:**

Meet with the academic counselor to determine your course load for the year. Bring your North Lake Schedule to the meeting. Students will only be allowed to leave campus during school hours if they are scheduled for North Lake Campus classes. If no schedule is provided or students do not have a North Lake class and are not scheduled for an ISI class, then they will be scheduled for Study Hall. If Juniors and Seniors are on campus from 1:42-3:15, they can sign up for the following electives. Again, a Northlake schedule must be provided to dismiss students.
