NEWS from the Finance Department:

Assalamu Alaikum Dear Respected Parents,

We are excited to share that we have partnered with FACTs to make it easier for you to manage your tuition payments for the upcoming school year. Your FACTS account is already connected to your Renweb Parent Family Portal account. Paying tuition is now as simple as logging into your Renweb account and choosing your payment plan.

Please refer to the school's website to find the latest Fee Structure for the academic year. You will also find detailed instructions on how to sign up for your FACTs payment plans on the attached sheet.

**Please note that we require all our parents to sign up with FACTs within 5 days of receiving the Offer of Admission, in order for us to successfully set up the payment plan through this tuition management system.**

Feel free to contact our Finance Department with any questions or help with setting up your FACTS account. The Finance Department may be reached by phone or email on the contact listed below.

We would highly appreciate your prompt action to this available facility and hope that all our parents can help us by choosing FACTs payment plans to manage their tuition account.

Jazakum'Allahu Khairan.

Sincerely,  
Finance Department
