## ISI MISSION

**Dear Students and Families,**

Welcome back to school! Teacher Hiam I'm excited about the opportunity to get to know you, and I'm looking forward to a joyful and productive school year

Curriculum areas we will focus on this year in Arabic will be twofold. For the Arabic language, my main focus will be to assure the students' development in acquiring the necessary reading and writing skills. Furthermore, the understanding of the Arabic language enhances the capability of the understanding of the Holy Quran. Also, I will implement different techniques to increase students' vocabulary.

Students are asked to bring the following supplies to school before 08/16/2021: located on the supplies link from the ISI website:

**My homework policy is the following:**

I believe homework is important because it is useful in reinforcing what has been learned in class, teaches responsibility and helps students develop positive study habits.

**When will homework be assigned?** Homework will be assigned Monday through Wednesday nights. Assignments should take students no more than 10 minutes.

**Students' Homework Responsibilities:** I expect homework to be neat, not sloppy and to be turned in on time. I expect students to do the work on their own and only ask for help after they have given it their best effort.

**Parents' Homework Responsibilities:** Parents play an important role in making homework a positive experience for their children. Therefore, I ask that parents make homework a top priority, provide necessary supplies, set a daily homework time, and contact me if they notice a problem.

**If Students Do Not Complete Homework:** If students choose not to do their homework, I will talk with them to make sure they understand the assignment. If the problem persists, I will contact the parents to discuss possible solutions.

**My grading policy is:**

**Arabic Grades- Weighted Categories**

Homework 15%

Classwork & Participation 25%

Projects 20%

Quizzes & Test 40%
